This lady's husband had left her and she had no money and no food. Not uncommon. Ndi Moyo gave her money to buy goods.

## Smiling Children Give Strength

**NOTE**  
Very few adults especially male ones.

Child is carrying a sibling. This is a sight frequently encountered during home visits.

Children who come running as soon as the vehicle stops at the Home Based Care during visits to patients in the villages and in the bush. They are shy to begin with, but after a while enjoy having their photographs taken. Like all children they like seeing their pictures.
